

**Shree Shyam Cargo Movers**

## About Us

### Shree Shyam Cargo Movers

“Shree Shyam Cargo Movers has been providing haulage and logistics services. We are a privately owned, fully insured transport company. Large enough to provide a professional and dedicated service but small enough to adapt to customer needs and requirements. We operate a wide range of fleets from express freight vans to curtain sided rigid and articulated trucks with tail-lift capabilities, whatever your requirements are, we have a vehicle to suit.

The company is specialized in best services of transportation providing to different project sites of private, public & government undertaking all India

All vehicles in our fleet have digital communication systems to keep in contact with base allowing us to track your consignments at any stage of the journey. Shree Shyam Cargo Movers offer an honest and caring approach to handling your shipment requirements which leaves customers with peace of mind to enable companies to leave the haulage services in the hands of the professionals. We can arrange collection of consignments from anywhere in the India, then deliver them to the desired location.

## Transportation

Our team consists of the most qualified and experienced set of individuals within the logistics industry. Our team is a true asset to Shree Shyam Cargo Movers. Shree Shyam Cargo Movers recognizes the true potential and rewards its team appropriately. Our team of enthusiastic employees is well versed with the logistics industry and the procedures that transpire between the time we pick and the time we deliver. We guarantee a no worry 24\*7 service. Once we are in charge, you don't have to think twice about your consignment; all headaches are ours and all gain is yours.

Dedicated means that your freight is the only goods loaded, there is no part loading or trans-shipping which further enhances the safety and security of the load. We transport everything from single pallets to full load consignments with our extensive diverse fleet of accredited vehicles throughout India.
